7.1.3 The extent of the superannuation payments for a member is determined in accordance with superannuation guarantee legislation.

8. Expenses claims

8.1.1 The member is entitled to be reimbursed for his or her reasonable out of pocket expenses if:

- (a) the expenses were actually and necessarily incurred in the course of his or her duties; and

9. Leave

Note regarding part-time and sessional members

Sessional members: clause 3.1.3 above provides that clause 9 (Leave) does not apply to members who are appointed to VCAT on a sessional basis.

Part-time members: clause 4.1.1 above provides that part-time members are entitled to a pro-rata amount of their leave and other entitlements in accordance with the proportion of full-time duties that are specified to be undertaken by the member in the member's part-time service arrangement.

9.1. Annual leave

9.1.1 A member is entitled to 20 working days paid annual leave for each year of full-time service. The annual leave entitlement accrues on a daily basis.

9.1.2 A member may only take the annual leave they have accrued, unless otherwise agreed by the President.

9.1.3 All annual leave must be applied for in advance and approved by the President.

9.1.4 Annual leave entitlements must be taken by the end of the calendar year following the calendar year in which they are accrued, unless otherwise agreed by the President.

9.1.5 The member may be directed by the President to take annual leave.

9.1.6 A member may request that the whole or any the part of his or her annual leave is taken at half pay for a period equal to twice the period to which member would otherwise be entitled.

9.1.7 A member, who, upon cessation of appointment has an outstanding annual leave entitlement, will be paid an amount equal to the unused annual leave entitlement.

9.1.8 In addition to annual and other leave entitlements, during the Christmas/New Leave period, the President may allow a member to take up to a maximum of four days leave with pay in the year 2014 and up to a maximum of three days leave with pay in subsequent years. This leave is at the discretion of the President and may be given if he or she is satisfied that it is appropriate to recognise or compensate the member for his or her work contribution in that year, outside of normal working hours. Such leave may be granted conditionally.

9.2. Purchased leave

9.2.1 A member may, with the agreement of the President, work less than 52 weeks per year. Purchased leave arrangements apply for a period of one year, and need to be applied for

annually in advance. Access to this entitlement may only be granted on application from a member.

- 9.2.2 Where the President and a member agree to a reduction in the number of working weeks, the member will receive additional converted leave as follows:

44/52 weeks	Additional 8 weeks' leave	(12 weeks in total)
45/52 weeks	Additional 7 weeks' leave	(11 weeks in total)
46/52 weeks	Additional 6 weeks' leave	(10 weeks in total)
47/52 weeks	Additional 5 weeks' leave	(9 weeks in total)
48/52 weeks	Additional 4 weeks' leave	(8 weeks in total)
49/52 weeks	Additional 3 weeks' leave	(7 weeks in total)
50/52 weeks	Additional 2 weeks' leave	(6 weeks in total)
51/52 weeks	Additional 1 weeks' leave	(5 weeks in total)

- 9.2.3 The above does not preclude a member and the President from agreeing to a similar type of arrangement that would provide a member with additional converted leave of more than eight weeks. The member will receive a salary equal to the period worked (e.g. 46 weeks or 49 weeks) which will be spread over a 52 week period. Accrual of personal/carer's leave and long service leave by the member shall remain unchanged.

- 9.2.4 If a member wishes to revert to ordinary 52 week employment during the period of one year agreed purchase leave, the member must give the President no less than four weeks' written notice. Where a member so reverts to 52 week employment, appropriate pro rata salary adjustments will be made.

9.3. Infectious Diseases / Dangerous Medical Conditions

- 9.3.1 If, upon report by a Registered Medical Practitioner that by reason of contact with a person suffering from an infectious disease and through the operation of restrictions imposed by law in respect of such disease, a member is unable to attend work, the President may grant the member special leave of absence with pay. The period of leave must not be for any period beyond the earliest date at which it would be practicable for the member to return to work having regard to the restrictions imposed by law.

- 9.3.2 Where the President reasonably believes that the member is in such state of health as to render the member a danger to other members, himself or other persons, the President may require the member to absent himself or herself from the workplace until the member obtains and provides to the President a report from a Registered Medical Practitioner. Upon receipt of the medical report, the President may direct the member to be absent from duty for a specified period or, if already on leave, direct such member to continue on leave for a specified period.

- 9.3.3 Any absence of a member under clauses 9.3.1 and 9.3.2 above must be regarded as personal/carer's leave.

9.4. Public holidays

- 9.4.1 Members shall be entitled to the following holidays without loss of pay:

- (a) New Year's Day, Australia Day, Labour Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Queen's Birthday, Melbourne Cup Day, Christmas Day and Boxing Day.
- (b) When Christmas Day is a Saturday or a Sunday, a holiday in lieu thereof shall be observed on 27 December.
- (c) When Boxing Day is a Saturday or a Sunday, an additional holiday shall be observed on 28 December.
- (d) When New Year's Day is a Saturday or a Sunday, an additional holiday shall be observed on the following Monday.
- (e) When Australia Day is a Saturday or a Sunday, a holiday in lieu shall be observed on the following Monday.

9.5. Personal/carer's leave

9.5.1 A member is entitled to paid personal/carer's leave (also sometimes referred to as sick leave) when they are absent because of:

- (a) personal illness or injury; or
- (b) personal illness or injury of a member's immediate family or household member who requires the member's care or support; or
- (c) an unexpected emergency affecting a member's immediate family or household member.

9.5.2 A full-time member is entitled to paid personal/carer's leave of 114 hours per annum.

9.5.3 Personal/carer's leave will be credited upon appointment and subsequently on the anniversary date of the member's appointment. Unused paid personal/carer's leave accumulates from year to year.

9.5.4 Leave without pay will not count as service for personal/carer's leave accrual purposes.

9.5.5 Accrued personal/carer's leave will not be paid out on cessation of employment.

9.5.6 A member who takes personal/carer's leave is entitled to be paid at his or her salary rate of pay for their ordinary hours of work in the period during which the personal/carer's leave is taken.

9.5.7 If the President has a genuine concern about a member's capacity to undertake their duties, the President may require the member to provide documentary evidence as to capacity in accordance with relevant policies.

9.5.8 Failure by the member to provide documentary evidence as required by the President within a reasonable period of time may render the member ineligible for personal/carer's leave under this clause.

9.5.9 If the period during which a member takes paid personal/carer's leave includes a day or part-day that is a public holiday the member is taken not to be on paid personal/carer's leave on that public holiday.

9.5.10 A member who has exhausted all paid personal/carer's leave entitlements may, with the consent of the President, take unpaid personal leave.

9.6. **Military service sick leave**

9.6.1 Where the President is satisfied that an illness of a member with at least six months paid continuous service is directly attributable to, or is aggravated by, service recognised under the *Veterans' Entitlements Act 1986* (Cth), including:

- (a) operational service; or
- (b) peacekeeping service; or
- (c) hazardous service -

the member will be credited with 114 hours special leave with pay for each year of service with the Tribunal from the conclusion of the member's operational, peacekeeping or hazardous service. Leave under this clause will be cumulative to a maximum of 760 hours.

9.6.2 This leave is in addition to personal leave.

9.7. **Compassionate leave**

9.7.1 A member is entitled to up to three days paid compassionate leave on each occasion when a member of the member's immediate family or a household member:

- (a) contracts or develops a personal illness that poses a serious threat to his or her life;
- (b) sustains a personal injury that poses a serious threat to his or her life; or
- (c) dies,

each of which constitutes a permissible occasion for the purposes of this clause.

9.7.2 A member may take compassionate leave for a particular permissible occasion if the leave is taken:

- (a) to spend time with a member of the member's immediate family or household who has contracted or developed a personal illness or sustained a personal injury; or
- (b) after the death of a member of the member's immediate family or household.

9.7.3 A member is not required to take compassionate leave in respect of a permissible occasion consecutively.

9.7.4 Compassionate leave will not accrue from year to year and will not be paid out upon cessation of appointment.

9.7.5 A member who takes compassionate leave is entitled to be paid at his or her salary for ordinary hours of work in the period in which the compassionate leave is taken.

9.7.6 A member may take unpaid compassionate leave by agreement with the President.

9.7.7 In addition to the other provisions of this clause, members of Aboriginal or Torres Strait Islander descent may be granted unpaid leave of up to three days per permissible occasion in relation to the death of an extended family member.

9.8. **Parental leave**

A member who does not satisfy the qualifying service requirement for the paid components of leave, shall be entitled to unpaid parental leave for a period not exceeding 52 weeks.

9.8.3 Leave entitlements available are summarised in the following table:

Type of parental leave	Paid parental leave	Unpaid parental leave	Total combined paid and unpaid parental leave

9.8.4 Except where otherwise agreed with the President, parental leave is to be available to only one parent at a time, in a single unbroken period, except that both parents may simultaneously take:

- (a) in the case of paid paternity/partner leave a member shall be entitled to a total of ten days paid leave (which need not be taken consecutively) and up to three weeks unpaid leave in connection with the birth of a child for whom he or she has accepted responsibility which may be commenced one week prior to the expected date of birth; and
- (b) in the case of short adoption leave for the secondary care giver, one week's paid leave and up to two weeks' unpaid leave which may be commenced at the time of placement.

9.9. Maternity leave

- 9.9.1 Unless agreed otherwise between the President and member, a member may commence parental leave at any time within 14 weeks immediately prior to the expected date of birth.
- 9.9.2 Where a member continues to work within a six week period immediately prior to the expected date of birth of the child, the President may require the member to provide documentary evidence as to fitness for normal duties in accordance with relevant policies.
- 9.9.3 The President may require the member to start maternity leave if the member does not comply with a request for the requested documentation within the time specified within the relevant policies.
- 9.9.4 Where the pregnancy of a member not then on maternity leave terminates, other than by the birth of a living child, the member may take leave as medically certified as necessary as follows:

- 9.9.5 Where a member not then on maternity leave is suffering from an illness whether related or not to pregnancy, the member may take any paid sick leave to which she is entitled and/or unpaid personal/carer's leave in accordance with the relevant personal/carer's leave provisions.
- 9.9.6 Where leave is granted, during the period of leave a member may return to work at any time as agreed between the President and the member, provided that time does not exceed four weeks from the recommencement date desired by the member.

9.10. Adoption leave

- 9.10.1 Where the placement of an eligible child for adoption with a member does not proceed or continue, the member will notify the President immediately and the President will nominate a time not exceeding four weeks from receipt of notification for the member's return to work.
- 9.10.2 A member will not be in breach of this clause as a consequence of failure to give the stipulated periods of notice if such failure results from a requirement of an adoption agency to accept earlier or later placement of an eligible child, the death of a spouse, or other compelling circumstances.
- 9.10.3 A member seeking to adopt an eligible child is, on the production of satisfactory evidence required, entitled to unpaid leave for the purpose of attending any compulsory interview examinations as are necessary as part of the adoption procedure. reached, the member is entitled to take up to two days unpaid leave. Where paid leave is available to the member, the President may require the member to take such leave instead.

9.11. Parental leave

9.11.1 A member entitled to parental leave may request the President to allow the member:

- (a) to extend the period of simultaneous unpaid parental leave up to a maximum of eight weeks;
- (b) to extend the period of unpaid parental leave by a further continuous period of unpaid leave not exceeding twelve months;
- (c) to return from a period of parental leave on a part-time basis until the child or eligible child reaches school age;

to assist the member in reconciling work and parental responsibilities.

9.11.2 Provided the request is genuinely based on the member's parental responsibilities, the President may only refuse the request on reasonable business grounds related to the effect on the workplace or VCAT's business. Such grounds might include cost, loss of efficiency and the impact on customer service.

9.11.3 The President's decision must be recorded in writing, provide details of the reasons for any refusal, and must be given as soon as practicable, and no later than 21 days after the request is made.

9.11.4 Unless agreed otherwise between the President and member, where a member takes leave the member may apply to the President to change the period of parental leave on one occasion.

9.11.5 The total period of parental leave must not extend beyond 24 months, comprising twelve months for leave taken. The notice must specify the new end date of the parental leave.

9.11.6 A member may, in lieu of or in conjunction with parental leave, access any annual leave or long service leave entitlements which they have accrued subject to the total amount of leave not exceeding 52 weeks or a longer period as agreed.

9.11.7 Where a Public Holiday occurs during a period of paid parental leave, the Public Holiday is not to be regarded as part of the paid parental leave and the President will grant the member a day off in lieu, to be taken by the member immediately following the period of paid parental leave. A member who reduces the hours of work to better cope during pregnancy will not have her subsequent paid maternity leave reduced accordingly.

9.11.8 Unpaid parental leave shall not break a member's continuity of work but it will not count as service for leave accrual or other purposes.

9.11.9 A member will be entitled to the position which they held immediately before proceeding on parental leave.

9.11.10 Where such position no longer exists but there are other positions available which the Member is qualified for and is capable of performing, the member will be entitled to a position as nearly comparable in status and pay to that of their former position.

9.12. Permanent care leave

9.12.1 If pursuant to the *Children, Youth and Families Act 2005*, a member is granted a permanent care order in relation to the custody or guardianship of a child and the member is

care giver for that child, the member will be entitled to 14 weeks' paid leave at a time to be agreed with the President.

9.13. Pre natal leave

9.13.1 In addition to the maternity leave and personal/carer's leave provisions of this Order, a member will have access to paid leave totalling up to 35 hours per pregnancy to enable her to attend the routine medical appointments associated with the pregnancy.

9.13.2 Any member who has a partner who is pregnant will have access to paid leave totalling up to 7.6 hours per pregnancy to enable their attendance at routine medical appointments associated with the pregnancy.

9.13.3 The President may allow a member who is entitled to paid parental leave to take that leave at half pay for a period equal to twice the period to which the member would otherwise be entitled.

9.14. Extended Family Leave

9.14.1 After exhausting all leave entitlements, a member who is the primary care giver may apply for unpaid Extended Family Leave, as an extension of maternity, adoption or paternity/partner leave. The total amount of leave, inclusive of maternity, adoption or paternity/partner leave cannot exceed seven years.

9.14.2 The member must make an application for Extended Family Leave each year. A member will not be entitled to paid parental leave whilst on Extended Family leave.

9.15. Grandparent leave

9.15.1 A member is entitled to a period of up to 52 weeks' continuous unpaid grandparent leave in respect of the:

- (a) birth of a grandchild of the member; or
