### What Can VGRS Provide?

VGRS provides transcription for the following jurisdictions and divisions:

- Supreme Court – Criminal and Practice Court matters
- County Court – Criminal matters
- Magistrates' Court – Committal hearings only

Not all court hearings are transcribed as a matter of course. The current price to produce new transcript is listed below and is subject to change. Up to date prices can be found on the [VGRS page of the CSV website](#).

Access to some transcript may be restricted by revisions and/or appeal status or may be suppressed or prohibited by the presiding Justice/Judge/Magistrate. VGRS staff can advise you of your options to access these transcripts at the contact details listed at the bottom of this page.
